

GC University, Lahore

Educating People For Tomorrow

JOB OPPORTUNITIES

Sessional Instructors

We are currently seeking competent and enthusiastic individuals to deliver courses in areas of Management, Quantitative Methods and Technology for our undergraduate and postgraduate programmes.

Candidate(s) should be a management practitioner with recognized professional qualifications and at least five years of progressive experience or instructor with recognized teaching qualifications and at least three years of teaching experience. Preference will be given to candidates having an exposure to developed economies through their work and study.

This position is remunerated on hourly basis, approx. 3 - 6 hours per week depending upon number of courses.

How to apply....
